Supervisor Green called to order a Public Hearing regarding the Orange County Community Development FY-2009 Program, and presided over same.

The Town Clerk presented proof of publication regarding same, as required by law.

Leo Braun said he was in Town Hall earlier in the week and asked for information regarding the grant. He said the application paperwork was very unclear and did not really lay out what the grant was going to be for. Supervisor Green said the project is for a small drainage project near Oak Street and Garden Drive. He said the notice for the hearing was drawn up the Orange County Department of Planning which is in charge of the grant program and their notice had to be used by a municipality in applying for a grant.
